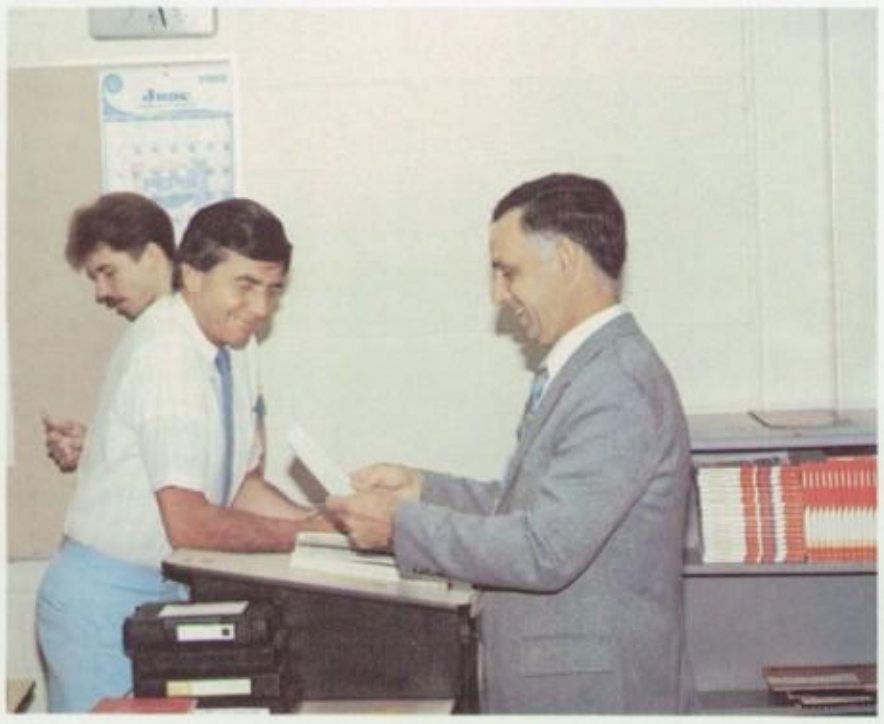
Dedication To Mr. Richard Haven



Mr. Haven in the classroom with Dr. Henderson . . .

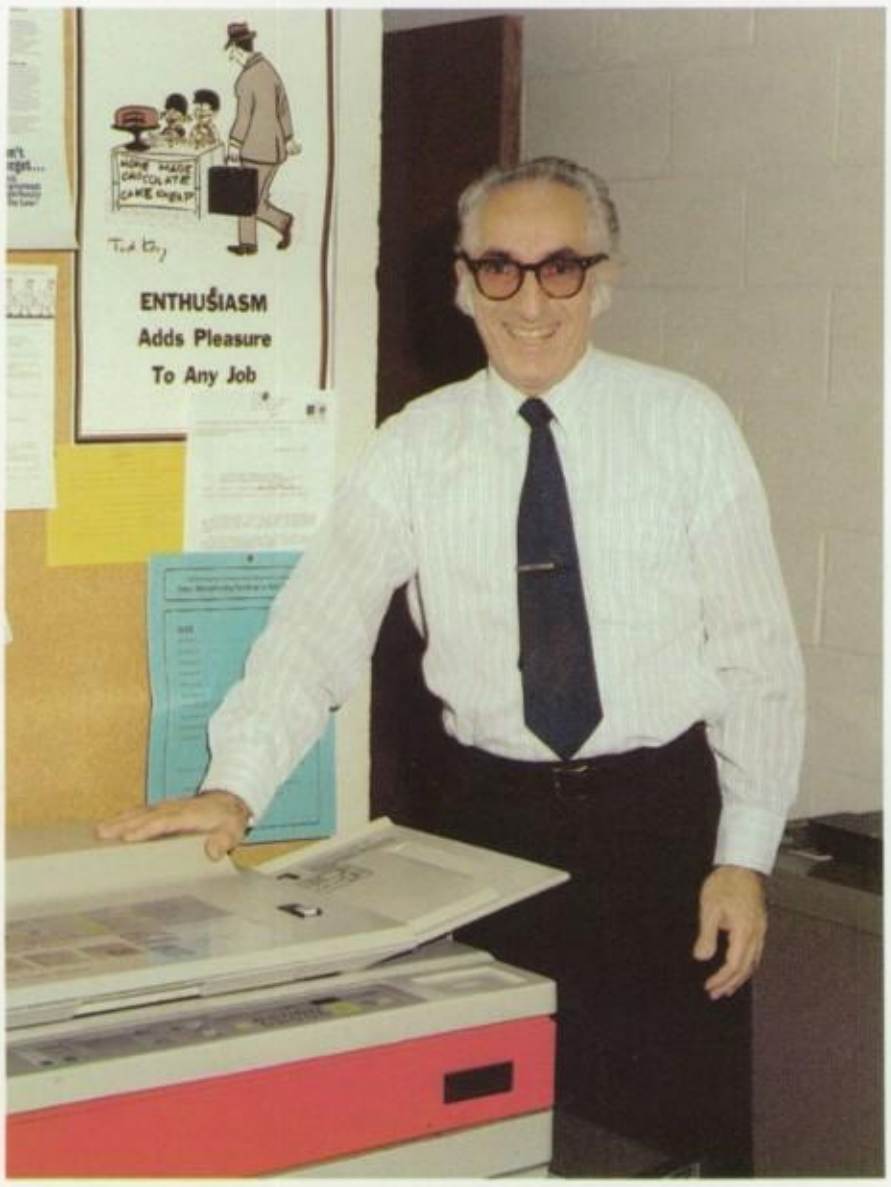
The dedication of the 1986 Edsonian is a very special dedication. Not only is it being presented to one of Southside High School's most beloved and caring teachers, but to a man whose devoted qualities by no means end outside of class. His extra-curricular contributions have added a definite spark to the spirit at Southside. Congratulations, Mr. Haven, on your twentieth dedicated year as the Edsonian Literary Advisor. You are an educator and friend in every sense. Indeed, you are a very special person.

. . . and sitting here with Santa.

Takes a lickin' but keeps on tickin'!

Special Thanks To . . .

Mr. Edgar Biamonte



Mr. Edgar Biamonte, a longtime teacher, is a person whom we shall all miss. He has taught for 25 years, 24 of those years here at Southside High School. Not only has Mr. Biamonte been our teacher, but also he has contributed his musical talents to many school events. His future plans include going to Tuscon, Arizona, and continuing to play the piano; Mr. Biamonte, we wish you the best of luck always!

Dr. Rodger Henderson is also deserving of special thanks. Although Dr. Henderson has left us to become an American History professor at Penn State University, he will be greatly missed by both the staff and students at Southside High School. Of his nearly twenty years experience as a teacher, thirteen of these years were spent at Southside as a social studies and SAGE teacher. Dr. Henderson's interests at Southside fanned out to include the National Honor Society, which he advised for three years, as well as his dependable involvement with numerous activities throughout the years.

Dr. Henderson is missed by all at Southside High School; however, we know the he is in good hands at Penn State University, and we wish him continued success in the future.

Mr. Rodger Henderson

Dr. Henderson with his friend, Kathy Lares.

Special Thanks To . . .

Mrs. Ann Davis

A very special thanks, also, goes to Mrs. Ann C. Davis for her many years of dedication and instruction at Southside High School. The halls seem bare without the familiar collection of frogs which adorned the hallway just outside her room.

During her twenty-four years as a biology teacher, Mrs. Davis created a strict learning environment in her classes which was always a pleasure to be a part of on a daily basis. Her interests, however, spanned further than the academics of biology. Aside from being an avid supporter of high school sports, Mrs. Davis also participated as an active member of the Middle States Steering Committee. For all the optimism and spirit Mrs. Davis gave Southside High School, we would like to express our sincere "thanks" to Mrs. Davis.

Mr. Robert Rajsky

Mr. Robert Rajsky was an industrial arts teacher at Southside High School from 1981 to 1985. While at Southside, he advised the Class of 1986 throughout its freshman, sophomore, and junior years. Last year Mr. Rajsky accepted a position with Erway Ambulance. We wish Mr. Rajsky the best of luck in his new occupation!

"Class of '87."

"Class of '88."

This year homecoming buzzed with a spirit which had been months in the making. Our spirit climaxed as Homecoming 1985 touched off at Dunn Field; Ithaca was not only the team to beat, but it was also the team that we had the potential to defeat. The spirit cheers first resounded that afternoon during a surprise pep-assembly where the queen candidates were introduced and where the traditional "Homecoming Posters" were cheered on by the student body.

Our football team fell victim to Ithaca with a final score of 30-7; however, our spirit shouts of "S-H-S" never died. Our spirit was recognized at halftime with the dedication of a spirit trophy presented to Southside by Top's Friendly Markets. This trophy proclaimed Southside High School as the "school with spirit" and brought a roar of satisfaction from the crowd.

A great highlight of the evening was the crowning of the Homecoming queen and this year it was Val Christofaro, escorted by Larry Persky. Val was crowned as the band played "The Power of Love." The members of her court included Francie Hulser, escorted by Jack Faber; Diane Rogan, escorted by Glen Decker; and Lori Shirk, escorted by Gerry Aber.

As usual the poster contest was truly exciting, with the theme, "Back to the Future." Each class displayed much school spirit as well as creativity through its poster. The Freshmen class took first place, followed by the seniors; the juniors took third, and the sophomores finished fourth.

Homecoming '85 will most likely be remembered for its spirit, because of our first spirit trophy which will now become a symbol of the school that we love so deeply. We will always remember the energy and spirit which cheered on our football team, the Homecoming queen and her court, and the posters of 1985, for that is the heart of Southside.

Senior Class History

We, the Class of 1986, entered Southside High School as confused but eager freshmen. We adapted to the new school and atmosphere rather quickly. Under the guidance of Mrs. Michelle Quagliana and Mr. Robert Rajsky, our first fundraiser, selling cookies, was a success. Leadership was provided by our newly elected officers—Terri Nichols, president; Tim Charas, vice-president; Scott Balok, treasurer; and Jennifer Lovejoy, secretary. Our punk dance was accepted by all classes. The profit gave us a major boost in confidence for the future years.

During our sophomore year, we reflected a true sense of spirit and unity. For officers we elected Tim Charas as president, Scott Balok as vice-president, Brian Brimmer as treasurer, Rodney Strange as secretary, and Shelley Fanara and Mike Sweeney as class historians. We participated in the annual fruit sale as our fundraiser with great enthusiasm. Once again we held a punk dance, and our profits increased. We began to show signs of a hard-working class. To reveal our true spirit, we shocked the upperclassmen by winning the Spirit Jug, which psyched us up for our last two years.

As juniors, we enjoyed being regarded as upperclassmen, but the workload was heavier than ever before. Miss Diane Norager, our new advisor, and Mr. Rajsky were very supportive in helping with our activities. Brian Brimmer was our president, Lori Shirk our vice-president, Glenn Decker our treasurer, Rodney Strange our secretary, and Jennifer Halm and Skeet Besley the class historians. Again we sold fruit, and we had our third punk dance. With the profits we grossed we transformed the cafeteria into an elaborate ballroom in which we held our Junior Prom. Our prom was on February 16, 1985, with the theme, "Sharing the Night Together." Crowned king and queen that night were Lance Snyder and Valerie Christofaro. Our junior year was enjoyable, yet we looked forward to being seniors.

At last, our senior year had arrived. Our newest advisors, Mrs. Marsha Brown and Mr. Robert Smith, guided us in our decisions. The new officers were Rodney Strange, president; Brian McConnell, vice-president; Jennifer Halm, secretary; Lori Shirk, treasurer; and Glenn Decker and Mike Sweeney, historians. Meetings had started in the summer, as preparations for the magazine sale were begun. The air was filled with enthusiasm as we earned nearly $22,000 on our drive, a new school record. Once again we proved ourselves the dominant class by winning the Spirit Jug. We also amplified our spirit by putting our best efforts into the Homecoming poster. Our Homecoming Queen was Valerie Christofaro, escorted by Larry Petsky. The Erie Bell Game was held November 9, 1985.

Senior Weekend was May 22nd to the 24th. On May 23, at Elmira College, we held our Senior Prom. June 27, 1986, graduation ceremonies were held at the Clemens Center. As we leave Southside High School, please remember the Class of 1986 as the class that "Came Along, Joined the Fun, and Departed as 'Number One'."

Senior Class Officers And Advisors

Our Officers: G. Decker, L. Shirk, B. McConnell, R. Strange, J. Halm, M. Sweeney.

To Our Advisors,

We, the Senior Class of 1986, would like to thank all of you who have entered our lives over the last four years. You have helped us learn and grow. From our first fundraiser in 1982 through our graduation ceremonies on June 27, 1986, you have always been there when we needed you. Your enthusiasm and your spirit toward our class have been overwhelming. During good times and bad, you always stood by us and made us believe in ourselves. As we leave Southside, the memories that we have experienced with one another will live on. We are very proud that you "Came Along, Joined the Fun, Made '86 Number One."

The Class of 1986

Our Advisors: Mrs. Marsha Brown and Mr. Robert Smith.

Foreign Exchange Students

Clockwise from center: Christine Christensen, Rafael Cuevas, Meritxell Roca Ortega, Inkeri Hyytiö, Dirk Kuchenbecker, Stephane Lembourg, Dirk Schuth, Oskar Thorvaldsson.

Our school welcomed a multitude of foreign exchange students this year from a myriad of European nations.

Christine Eie Christensen, a student from Denmark, has analyzed Americans accurately. She said, "People always say that I'm weird, but after five minutes they say that they're weird themselves, so I guess it's normal to be weird here." Christine enjoys her weird involvement in Concert Choir, Ski Club, and Pep Club.

Rafael Cuevas, from Spain, is involved in German Club, Latin Club, Spanish Club and Concert Choir. He's one of our "extraordinary" exchanges. He is bright, is cheerful, and has a wonderful sense of humor.

Inkeri Hyytiö is a warm, bright and cheerful exchangee from Finland. She participates in German Club, the tennis team, and Concert Choir. She said one of the most shocking differences between the U.S. and Finland is that Finland doesn't have M & M's.

Dirk Kuchenbecker, a fun-loving West German, is on the soccer team and is in Concert Choir and Concert Band. Dirk likes SIP's and weekends. According to Dirk, people here try to act weird and different from normal.

Stephane Lembourg, from France, is involved with the football team, Concert Choir, High-Tech Club and Ski Club. Stephane is a basic tall and dark Frenchman.

Meritxell Roca Ortega, the youngest foreign exchange student this year, is from Spain. She is in Concert Choir and Spanish Club. Our school enjoys having Meri because she is perky and lovable.

Dirk "Shootie" Schuth participates in Concert Choir, Ski Club, and the soccer "bench" team. Dirk, also from Germany, enjoys performing and swimming.

Oskar Thorvaldsson is from Iceland. He enjoys paricipation in Concert Band. Skari loves Led Zeppelin, the drums, and America's social life.

Junior Class History '87

The 1985-86 year was particularly memorable for the junior class. We worked until all hours organizing our hall, for the hall decorating contest, but it was worth it as we pulled away with first prize for our hall, entitled "87 Leagues under the Sea." The poster contest didn't promise success taking 3rd prize for this year; however, we still have one more try, and we're hopeful for next year.

Our spirits rose at the last pep assembly when we tied with the seniors for first place. In the "shout off" the seniors rallied for a win, but we'll get 'em next time!

The major event of our junior year will be, of course, the Junior Prom. We are fortunate to be able to host this "gala event" on Valentine's Day, February 14. To "gain" back the money, we will spend on the prom, we will be having an Easter Candy Sale; this we expect to be a great success.

The past three years have quickly slipped by for us, but we'll never forget the good times we've had, and the many friends we've made. We are looking forward to our senior year in hope that it will be as fun and successful as our past history at Southside.

Sophomore Class History "88"

This is our second year at Southside, and already we have acquired many good memories. Last year as freshmen, with Marti Middaugh as president, we won both hall decorating and the poster contests, much to the surprise of the upperclassmen. Although this year we placed 3rd in hall decorating and 4th in the poster contest, we still displayed a great show of spirit, with a large percentage of our class participating in both.

Much of the key to our success has been the optimism and strength of our class officers. We elected Amy Doud as our class president. Her catchy election speech proved she had both the energy and the ambition to run a class like ours, not always an easy job. Our vice-president this year is Mike Kane, with his 6 foot 3" frame and "Billy Idol" hair cut, he's not only a real track star but a good officer as well. Our treasurer is J.J. Bement. J.J. is an active member of wind ensemble and the swim team, but she still finds time to be the dedicated treasurer of the sophomore class. We elected Tim Krusen as secretary of our class. Tim's proved himself as a hard worker and an all-around "good guy." Last but not least, Terri Kauffman is our class historian. Although small in size, she's good at heart and has been a big help to our class.

Our class motto is "lookin' great in '88", our brief history has proved this, and we hope to continue our "great" success.

Freshmen Class History '89

As freshmen this year, we, the Class of 1989, are very excited to be a part of SHS. Our greatest success was winning the Homecoming Poster Contest; unfortunately because of our limitted budget, our "decorated" hall placed fourth, but we haven't lost our enthusiasm; "you can't win them all!" Even though we cannot hold a fund raiser for the class until we're juniors, we're looking forward to our next three years at Southside. No doubt these years will be memorable as well as successful, because of the strong leadership of our class officers:

President Kim Little
Vice-President Lori Holleran
Treasurer Jennifer Streeter
Secretary Amy Poppleton
Historian Jill McNett

The Class of '89 is looking forward to many memorable times at Southside High.

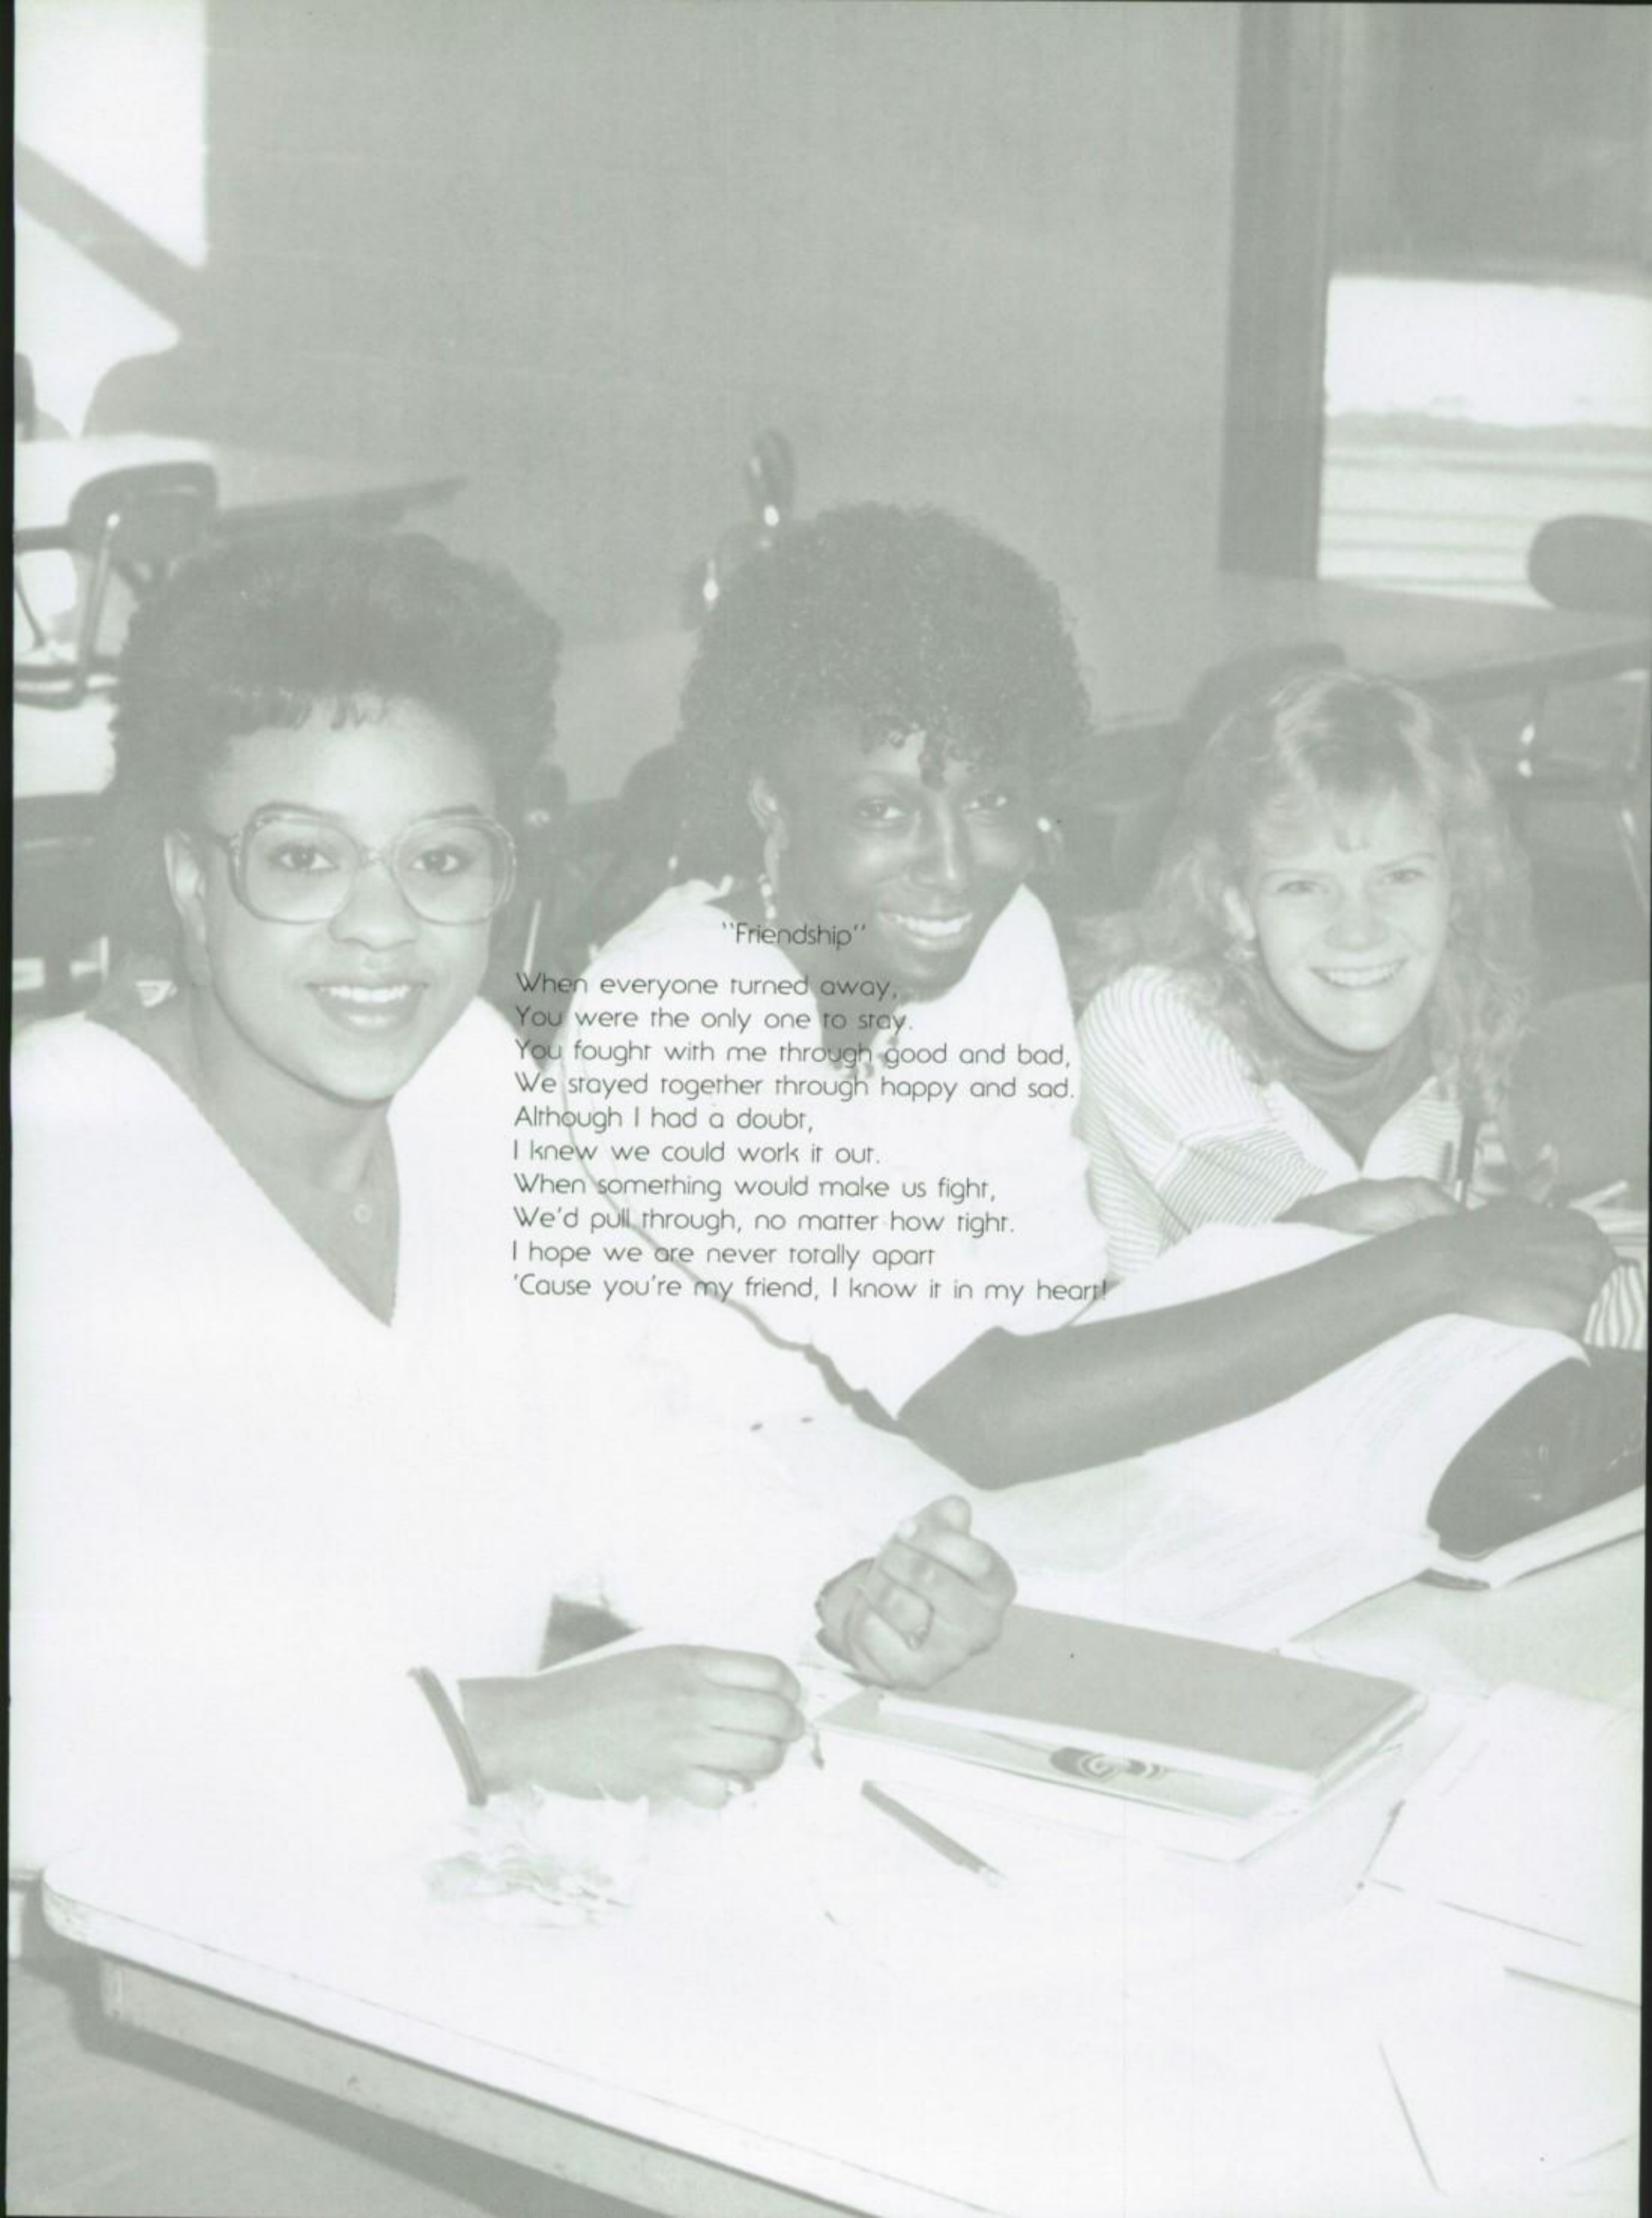
Dear Southside,

The class of 1986 wishes to extend a sincere and heartfelt thanks to all at Southside High School: Administration, faculty, Staff, and, most of all, our fellow students. We will always remember, with pride, the memories of the past four years. Your conintued guidence has helped us shape our future as we continue on our path through life. Southside you have been an important part of our lives and we will never forget you.

Truly Yours,
The Class of 1986



"Friendship"

When everyone turned away,
You were the only one to stay.
You fought with me through good and bad,
We stayed together through happy and sad.
Although I had a doubt,
I knew we could work it out.
When something would make us fight,
We'd pull through, no matter how tight.
I hope we are never totally apart
'Cause you're my friend, I know it in my heart!
